

The Bell - Lockdown Drinks Sale

Deadline is 10pm on 4th November

Dear Shareholders and Supporters of The Bell,

As everyone feared, Lockdown 02 is about to hit all pubs in England from midnight this Wednesday 4th. Dom and Nick have already created some delicious takeaway menus for the month of November. They are also making a meat-smoker so look out for delicious smoked venison from Mortimer Forest soon.

But sadly, takeaways cannot be accompanied by off-sales of alcohol (to government: "Why???") and therefore in the **Very Immediate Future**, that is, in the next 60 hours or so, there are some **260** pints of cask ale, lager and cider that **MUST BE SOLD** to save them from going off. Here's what's available:

Cider: Robinsons 50 Pints

 New Catch 15 Pints

Lager: Corona 40 Pints

 Camden Hells 25 Pints

Beer: Swan Gold 50 Pints

 Swan Hero 50 Pints

 Hobsons Evolution 30 Pints

 Hobsons Dhustone 10 Pints

All beer/cider will be sold at £2.50 per pint

Bottles of wine at 10% discount

Please bring your own container if you can. If you don't have one, the pub has a number of glass 'flip-top table-water bottles' that may be borrowed, for just a small deposit of £1. These are available in 1 litre and 1.5 litre sizes.

It would help Dom and Nick to serve you most efficiently if you could phone (01568 780515) to say you are coming, and if you can make it between 5pm and 8pm this will be much appreciated.

Please feel free to also buy wine before Lockdown 02 starts, although this is not so important for the pub as of course it will keep perfectly well until they can re-

open.

We very much hope that you will be able to support The Bell as much as possible during November, in all the ways that are permitted under Lockdown. Meanwhile, hoping there can be a return to normal trading in December, the takeaway menus can be viewed via the links below.

Cheers!
