## Feedback

As with *any* venue, please let your hosts know if you have any issues at the time of your visit. It would be inappropriate to direct a complaint (say, the plate wasn't hot or the food was late) to the MCBS Management Committee: that is a matter between customer and business owner. Of course, compliments are always welcome too!

However, should you have constructive comments or concerns about the overall direction of the operation, you can let the MCBS Management Committee know by emailing [mcbsfeedback@gmail.com](mailto:mcbsfeedback@gmail.com). The Committee have scheduled regular meetings with Nick and Dom specifically to discuss such matters, and we will keep you updated of any developments coming out of these meetings. Please, help us to help you and the tenants as they build their new business at the re-launched Bell at Yarpole.

## Further Information

The Bell's own website ([www.thebellatyarpole.co.uk](http://www.thebellatyarpole.co.uk)) will be maintained by the tenants in future. Expect to find menus, upcoming events and other news as time goes on.

Nick and Dom will also be using social media. If you also use these platforms do keep a look out for posts and share as many Likes as you can to spread the word.

The Management Committee will continue to maintain its own website ([www.themortimercbs.org](http://www.themortimercbs.org)).
